I have inspected the spot and consider that the Musafar= =khana may be utilized for the purpose of a dispensary and residential quarters for the hospital assistant and a new cheap Musafarkhana built for the use of the lower classes of travellers. There is a government Chattram ah Serajgunj in which there is ~ accommodation for travellers of the higher Castes.

To

The Secretary to the Government
of Mysore General and Revenue
Departments

Sir

I am forwarding herewith a copy of the order no. 1857/576 dated 29th December last, from the Executive Engineer, Chitaldrug Division regarding the grant payable, as per Government Proceedings no. 7041-53/LF 117-93 dated 16th October 1893, from Municipal District and Provincial Funds in equal proportions towards the cost of constructing a Local Fund Dispensary at Hiriyur vide Proceedings of Government no. 8116/LF 169 96 dated 19th January last, I have the honour to solicit the orders of Government to exempt the Municipality of Hiriyur from paying its quota towards the cost of

of the construction of the building in question, as the Municipality owing to paucity of funds, is unable to bear the said cost which fact may be well inferred from the Establishment and other charges pertaining to the Dispensary being debited wholly to District funds. Vide Proceedings of Government No. 7053-9 / L.F. 159-92 dated 25th November 1892.

2. I therefore request that the Government will be pleased to order that the additional cost stated to be payable from Municipal Fund be met from Provincial funds, along with its usual share, as the District funds of this ~~District~~ Circle cannot afford

effort to meet the said

is to be construed that a special reference has to be made to Government in each case for exemption. Whether the Municipal share has to be met with from District funds or Provincial funds is a point that has also to be settled.

The President is therefore requested to kindly make a reference on the subject and have the question settled as early as possible to enable the undersigned to start the work.
